

This aerial map of Itaberaba, Brazil, illustrates the proposed layout for the Itaberaba V. Penteados Hospital. A prominent red line indicates the main proposed road corridor running diagonally from the top left towards the bottom right. Several specific areas are highlighted with yellow and orange hatched patterns, likely representing individual lots or zones within the hospital complex. Key streets identified include Avenida Imbuastro, Rua Amador J. Domingues, Rua J. J. de Almeida, and Rua J. J. de Almeida. The map also shows existing infrastructure, including a large green field and surrounding residential areas. A scale bar in the bottom left corner indicates distances of 0, 50, and 100 meters, accompanied by a north arrow. The map is annotated with 'Figura 3.05' and 'Figura 3.06' in yellow text.
