## STATE SECRETARIAT FOR INFRASTRUCTURE AND ENVIRONMENT

the future CONCESSIONAIRE, with a caveat made to exceptions expressly provided for under the CONTRACT.

- 7.4. The CONCESSIONAIRE is prohibited from economically exploiting, whether directly or indirectly, spaces that are the object of the CONCESSION regarding installing antennas, unless they are to be used solely by the CONCESSIONAIRE and/or CAMINHOS DO MAR USERS, regardless of the legal activity intended to be undertaken, in addition to commercial exploitation of timber or forest by-products.
- 7.4.1. Activities prohibited to the CONCESSIONAIRE, as set out in item 7.4, may be carried out by the FOREST FOUNDATION or by the GRANTING AUTHORITY, even within the CONCESSION AREA, whereas the CONCESSIONAIRE shall not be owed any stake in the revenue or monetary compensation.
- 7.5. The CONCESSIONAIRE shall not exclude the FOREST FOUNDATION, EMAE S.A. and the GRANTING AUTHORITY's access to the CONCESSION AREA, so as to enable activities inherent to the Park's environmental management as well as police-related law enforcement duties to be carried out, in the case of the FOREST FOUNDATION, and for electrical power generation in the case of EMAE S.A., with these activities remaining under the scope of these entities.
