

ANNEX IV

FUNCTIONAL PROJECTS OF THE ROAD CONCESSION NETWORK

ANNEX IV

FUNCTIONAL PROJECTS OF THE ROAD CONCESSION NETWORK

INTERNATIONAL TENDER No 01/2019

CONCESSION TO PROVIDE PUBLIC SERVICES FOR OPERATION, MAINTENANCE AND MAKING OF INVESTMENTS REQUIRED FOR EXPLOITATION OF THE HIGHWAY SYSTEM CALLED THE PIRACICABA-PANORAMA LOT

1. GENERAL PROVISIONS

In case of divergence of location (mileage) information of the works, the following order of priority shall be considered:

- 1) ANNEX 12 (FUNCTIONAL PROJECTS OF THE ROAD CONCESSION NETWORK);
- 2) ANNEX 21 (TFFS or EVTE); and
- 3) APPENDIX A.1 RETIGRAPHS.

It is important to note that some investments foreseen for in ANNEX 21 (EVTE) were not the object of elaboration of Functional Studies (those contemplated in ANNEX 12). In this case, and in case of divergence of kilometric information, the following order of priority shall be considered:

- 1) ANNEX 21 (TFFS or EVTE); and
- 2) APPENDIX A.1 RETIGRAPHS.

2. ACCESS TO DOCUMENTS

Functional designs are available in the Data Room at the following link:
https://www7.idealsvdr.com/v3/lote_piracicaba-panorama/

To access the Data Room with further information about the Bidding process, interested parties should send a message to SPRoadInvestors@ifc.org, informing the full name, company and email address of all who wish to have access to the platform. Users will receive an email confirmation for registration within one business day of submitting the request.

If you have difficulty downloading the files, please contact ARTESP by email at novaconcessoes@artesp.sp.gov.br to obtain the documents.
